## Projects

2015-2018.

Pyramid of Arts, *High Rise* Project Coordinator

High Rise is a unique project, funded by the National Lottery through the Big Lottery Fund. This groundbreaking piece of work enables Pyramid of Arts to:

- Offer collaborative art projects to people with profound and multiple disabilities
- Offer creative support to people with learning disabilities in mental health crisis
- Develop a related training programme for care staff and community artists
- Create a series of associated public events and exhibitions
